Respected Seniors and Dear Members,

I feel privileged to interact with all of you through this E-Newsletter in this month of December. Last month of November passed with various Branch Events and activities related to core requirement of professional Interest.

Last month of November involves various activities like:-

- **Lecture Meeting on Power and Function of NFRA under Company Act 2013 & Responsibilities of Company Auditor:** Branch organized Lecture Meeting for CA members in which CA. Rishi Agarwalji enlightened the house about the subject in a very technical as well as interactive manner.
- **CPE Week from 13.11.18 - 17.11.18 being Organized / Hosted by Agra Branch of CIRC:** Agra Branch organized a CPE Week to facilitate all the members with quality CPE hours. CA. Prem Gul, CA. Saheb Satsangi, CA. Sachin Bubna, CA. Deependra Mohan, CA. Ranjan Chopra & CA. Baldev Raj were the key note speakers and this program and it was a good experience of back to back programs and same was well appreciated by members at large.
- **Full Day Workshop on Word, Excel & Powerpoint:** Agra Branch organized a Full day Workshop on Word, Excel & Powerpoint at Sanjay Place Branch. Mr. Manoj Agarwal was the key note speaker. This seminar was very insightful for all the members present.

Further I always welcome your words of praise for the good work of the team Agra as well as constructive criticism for betterment. Agra Branch is open to new ideas and programs. So all members are requested to give suggestions and contribute your thoughts.

With Best regards

CA. Mohan Lal Kukreja

Chairman-Agra Branch of CIRC of ICAI
